Safeguarding Policy

Purpose

Safeguarding and promoting the welfare of children and adults at risk from abuse or neglect.

This policy defines how Claygate Village Hall operates to safeguard children, young people and adults at risk of abuse or neglect.

The Trustees acknowledge that they have a duty of care and are committed to the protection and safety of everyone who enters our premises including, but not limited to, children, young people and adults at risk involved as visitors and/or as participants in all activities and events.

Scope

This policy applies to

- All trustees, officers and volunteers
- All those attending any activity or service that is being delivered from the village hall property
- All visitors and contractors

Definitions

Children and young people are defined as those persons aged less than 18 years old.

Safeguarding and promoting the welfare of children is defined as:

- protecting children from maltreatment
- preventing impairment of children's health and development
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- taking action to enable all children to have the best outcomes.

Adult at risk of abuse or neglect

For the purposes of this policy, adult at risk refers to someone over 18 years old who, according to paragraph 14.2 of the Care Act 2015:

- has care and support needs
- is experiencing, or is at risk of, abuse or neglect
- as a result of their care and support needs is unable to protect himself or herself against the abuse or neglect or the risk of it.

If someone has care and support needs but is not currently receiving care or support from a health or care service, they may still be an adult at risk.

Policy principles

There can be no excuses for not taking all reasonable action to protect children or adults at risk of abuse, exploitation, radicalisation, and mistreatment. All citizens of the United Kingdom have their rights enshrined within the Human Rights Act 1998. People who are eligible to receive health and community care services may be additionally vulnerable to the violation of these rights by reason of disability, impairment, age, or illness.

The Claygate Village Hall Association (CVHA) has a zero-tolerance approach to abuse.

The CVHA recognises that under the Care Act 2014, it has a duty for the care and protection of adults who are at risk of abuse. It also recognises its responsibilities for the safety and care of children under the Children Act 1989 and 2004.

The CVHA is committed to promoting wellbeing, harm prevention and to responding effectively if concerns are raised.

The CVHA is aware of the work of the local safeguarding Board/Partnership and other support organisations in the development and implementation of procedures for the protection of children and vulnerable adults abuse. The policy is about stopping abuse where it is happening and preventing abuse where there is a risk that it may occur.

The CVHA is committed to the following principles:

- The welfare of the child, young person or adult at risk is paramount
- All children, young people and adults at risk have the right to protection from abuse
- Safeguarding is everyone's responsibility. For protection to be effective each professional and organisation should play their full part; and
- All suspicions and allegations of abuse must be properly reported to the relevant internal and external authorities and dealt with swiftly and appropriately.

Appendix A contains contact details for relevant referral and support organisations.
